ADVISORY OPINION NO. 10-040-E

June 11, 2010

Question Presented: May members of a town Park Advisory Committee sell products to the town park or be compensated for working as an umpire for the park?

Brief Answer: No. Pursuant to Section 25-4-105(3)(a), Miss. Code of 1972, no public servant of the town may be a contractor or vendor to the town.

The Mississippi Ethics Commission issued this opinion on the date shown above in accordance with Section 25-4-17(i), Mississippi Code of 1972, as reflected upon its minutes of even date. The Commission is empowered to interpret and opine only upon Article IV, Section 109, Mississippi Constitution of 1890, and Article 3, Chapter 4, Title 25, Mississippi Code of 1972. This opinion does not interpret or offer protection from liability for any other laws, rules or regulations. The Commission based this opinion solely on the facts and circumstances provided by the requestor as restated herein. The protection from liability provided under Section 25-4-17(i) is limited to the individual who requested this opinion and to the accuracy and completeness of these facts.

I. LAW

The pertinent Ethics in Government Laws to be considered here are as follows:

Section 25-4-103, Miss. Code of 1972.

(h) "Governmental entity" means the state, a county, a municipality or any other separate political subdivision authorized by law to exercise a part of the sovereign power of the state.

(k) "Material financial interest" means a personal and pecuniary interest, direct or indirect, accruing to a public servant or spouse, either individually or in combination with each other. Notwithstanding the foregoing, the following shall not be deemed

to be a material financial interest with respect to a business with which a public servant may be associated:

(i) Ownership of any interest of less than ten percent (10%) in a business where the aggregate annual net income to the public servant therefrom is less than One Thousand Dollars (\$1,000.00);

(ii) Ownership of any interest of less than two percent (2%) in a business where the aggregate annual net income to the public servant therefrom is less than Five Thousand Dollars (\$5,000.00);

(iii) The income as an employee of a relative if neither the public servant or relative is an officer, director or partner in the business and any ownership interest would not be deemed material pursuant to subparagraph (i) or (ii) herein; or

(iv) The income of the spouse of a public servant when such spouse is a contractor, subcontractor or vendor with the governmental entity that employs the public servant and the public servant exercises no control, direct or indirect, over the contract between the spouse and such governmental entity.

(p) "Public servant" means:

(i) Any elected or appointed official of the government;

(ii) Any officer, director, commissioner, supervisor, chief, head, agent or employee of the government or any agency thereof, or of any public entity created by or under the laws of the state of Mississippi or created by an agency or governmental entity thereof, any of which is funded by public funds or which expends, authorizes or recommends the use of public funds; or

(iii) Any individual who receives a salary, per diem or expenses paid in whole or in part out of funds authorized to be expended by the government.

Section 25-4-105, Miss. Code of 1972.

(3) No public servant shall:

(a) Be a contractor, subcontractor or vendor with the governmental entity of which he is a member, officer, employee or agent, other than in his contract of employment, or have a material financial interest in any business which is a contractor, subcontractor or vendor with the governmental entity of which he is a member, officer, employee or agent.

II. FACTS

Facts provided by the requestor are set forth below, with identifying information redacted, and are considered a part of this opinion.

I am the mayor of a town. My questions to the Commission are:

1. Can a member of the Park Advisory Committee sell products to the town park?
2. Can a member of the advisory work as an umpire for the park?

These are important issues to me as mayor, and I will look forward to your response.

The advisory committee is appointed by the board of aldermen. They are not paid any money.

III. ANALYSIS

As appointed officials of the town, the members of the Park Advisory Committee are “public servants” of the town, as defined in Section 25-4-103(p). Pursuant to Section 25-4-105(3)(a), no public servant of the town may be a contractor or vendor to the town, subject to some limited exceptions listed in Section 25-4-105(4). “The term contractor is generally used in the strict sense of one who contracts to perform a service for another and not in the broad sense of one who is a party to a contract.” Moore, ex rel. City of Aberdeen v. Byars, 757 So.2d 243, 248 (¶ 15) (Miss. 2000). One who sells products to the town is a vendor to the town, and a paid umpire is a contractor to the town. Therefore, members of the Park Advisory Committee may not sell products to the town park or be compensated for working as an umpire for the park.
